Pathologists

The Department of Pathology and Laboratory Medicine at Mount Sinai Hospital is seeking faculty members at the Assistant/Associate/Full Professor Level, with diagnostic and academic expertise in a combination of sarcoma, gynecological, breast and/or head and neck pathology.

We are seeking individuals who value working in a collegial environment at an institution with superb clinical material and collaborations with dedicated clinical colleagues. The successful candidates will join an academic faculty with diverse diagnostic expertise, teaching responsibilities and research activities. We have an extensive consult service and utilize leading edge diagnostic technologies. Mount Sinai Hospital has internationally renowned clinical programs in Sarcoma, Women’s Health and Thyroid cancer.

Candidates must have a medical degree and hold Royal College of Physicians and Surgeons of Canada certification in Anatomical Pathology, or equivalent, and be eligible for licensure by the College of Physicians and Surgeons of Ontario. Fellowship training or experience in one of these areas is required. The preferred candidate must be an excellent diagnostic pathologist with a demonstrated a track record in clinical or translational research, and interest in teaching. Research interest in artificial intelligence and/or molecular diagnostics would be an asset. In addition, the candidate should be eligible for an academic appointment in the Department of Laboratory Medicine and Pathobiology, University of Toronto. Rank will be commensurate with qualifications and experience.

Salary and benefits are in accordance with the uniform level of compensation in the Province of Ontario. The Ministry of Health and Long Term Service has implemented a program to ensure a total compensation package that will equalize your compensation with that of other Laboratory Physicians in the Province. Benefits will be provided. Start date is January 2nd, 2020 or as mutually agreed.

Interested applicants should send their curriculum vitae, a brief statement of their career plans, and the names of three references to:

Dr. Rita Kandel
Chief, Department of Pathology and Laboratory Medicine
Mount Sinai Hospital
600 University Avenue
Toronto, ON M5G 1X5
Email: rita.kandel@sinaihealthsystem.ca
Review of applications will begin on June 28th, 2019. Mount Sinai and the University of Toronto are strongly committed to diversity. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
