Accessing the OAP Pre-meeting Self Assessments

Log in: <http://ow.ly/T1u0303szl4> Once there you have two options:

1. **First time here?** Please [create an Awesome-U membership account](#).
2. Already have an AWESome Account from last year? [Log in here](#).
Can't remember your username, etc. ... click on [Forgotten your username or password?](#)

After logging into your Account:

1. Select the **OAP Quiz 2016** as the course you want to participate in.
2. When prompted for an "enrolment key" - use **OAP2016** This will "enrol" you in the course.
3. From now on you will only need to enter your personal username and password to log in and access any course you have enrolled in.
4. Once you begin completing the assessments, if you are interrupted you can save the info and continue at a later time.

There are two self assessments

Dr. Marcio Gomes Quiz and Poll: This relates to Friday's "*Common Conundrums in Lung Pathology*" presentation.

There are two parts to this assessment:

1. Multiple choice
2. Anonymous poll ... also a multiple choice related to 4 case slides you can click on and view by virtual microscopy

Dr. Ilan Weinreb Quiz with slides: This relates to the Saturday slide seminar "*The ever expanding differential diagnosis of head and neck tumours: new entities and navigating the molecular landscape*"

The assessment includes multiple choice for both the diagnosis and tumour of 8 cases you can click on and view by virtual microscopy.

Deadlines to be aware of:

- **September 12th:** Deadline to complete and be entered into a draw for an Apple iPad Mini donated by Quorum Technologies ... Complete both self assessments and be entered twice in the draw.
- **September 29th:** Deadline to complete and be eligible for Section 3 (self-study) CME credits upon completion of the follow up documentation.
