

**Annual General Meeting
September 30-October 2, 2016
Blue Mountain Resort, Collingwood, Ontario**

PATHOLOGISTS' ASSISTANTS SYMPOSIUM

Agenda

Saturday, October 1, 2016

0900-0930 ***Registration & Coffee with Exhibitors***

0930-0940 ***Welcome***

***Sarah James, MLT, PA Senior Pathologists' Assistant, University Health Network, Toronto
Kathy Chorneyko MD, Medical Director of Laboratory Services, Brant Community
Healthcare System, Brantford***

0940-1030 ***Keynote: The Body of Proof: The Use of Tissue in Clinical Trials***
Ms. Natascha Kozlowski, Director of Research and Clinical trials
Lakeridge Health, Oshawa

Learning Objectives

1. To discuss the ethical and clinical principles governing the use of tissue in clinical research
2. To identify some of the unique challenges faced with tissue use in clinical trials
3. To demonstrate the role of the Pathology Assistant in clinical research

1030-1115 ***A Structural Foundation: Implementation of Cancer Synoptic Reporting
In Ontario***

***Aaron Pollett, MD FRCPC Provincial Head, Pathology & Laboratory Medicine Program,
Cancer Care Ontario; Co-Director, Division of Diagnostic Medical Genetics,
Pathology & Laboratory Medicine, Mount Sinai Hospital; Associate Professor,
Laboratory Medicine & Pathobiology, University of Toronto***

Learning Objectives

Following the presentation the participants will be able to:

1. Outline how synoptic reporting was implemented in Ontario.
2. Illustrate how synoptic reporting is being used to drive cancer quality in Ontario.
3. Describe the future direction of synoptic reporting in Ontario.

1115-1200 ***The More the Merrier! Grossing the Multiple Birth Placenta***

***Ms. Susan Cromwell, B.Sc., PA (CAP-ACP) Senior Pathologists' Assistant
The Hospital for Sick Children, Toronto, Ontario***

Learning Objectives

1. Identify the types of placentas seen in multiple births, particularly for twins and triplets.
2. Recognize pertinent details to be noted in the gross examination of all multiple birth placentas, as well as those especially important for monozygotes.
3. Illustrate the sections required to adequately represent multiple birth placentas.

**Annual General Meeting
September 30-October 2, 2016
Blue Mountain Resort, Collingwood, Ontario**

Saturday, October 1, 2016 (Cont'd.)

1200-1315 **Lunch**

1300-1415 **Case Studies ...** Participants will rotate through interactive case studies

A. A Case of Pancreatic Adenocarcinoma

Lina Katz, MLA, PA, Clinical Coordinator, St. Joseph's Health Centre,
Michener Institute, Toronto

Learning Objectives:

1. Observe gross and microscopic images of pancreatic adenocarcinoma surgical specimen(s)
2. Inspect gross descriptions, block submission and additional studies
3. Discuss the diagnosis

B. Differential Diagnoses of Solid Mass in the Testes

Jessica Swain, BSc, PA (ASCP^{CM}) Lakeridge Health, Oshawa

Learning Objectives:

1. Observe gross and microscopic images of solid masses in testes
2. Inspect gross descriptions, block submission and additional studies
3. Discuss the diagnosis

C. Sudden and Unexpected Death in a 43 year old Female Athlete

Solange Malhotra, B.Sc. Forensic Pathologist Assistant,
Ontario Forensic Pathology Service, Toronto

Irina Shipilova, MD, PhD, Forensic Pathologist (Russia), Forensic
Pathologist Assistant Ontario Forensic Pathology Unit, Toronto

Learning Objectives:

1. Observe gross and microscopic images of autopsy cases
2. Inspect autopsy report, block submission and additional studies
3. Discuss cause of death

D. A Case of Trench Foot in a 63 year old Female

Irina Shipilova, MD, PhD, Forensic Pathologist (Russia), Forensic
Pathologist Assistant, Ontario Forensic Pathology Unit, Toronto

Solange Malhotra, B.Sc. Forensic Pathologist Assistant,
Ontario Forensic Pathology Service, Toronto

Learning Objectives:

1. Observe gross and microscopic images of autopsy cases
2. Inspect autopsy report, block submission and additional studies
3. Discuss cause of death

**Annual General Meeting
September 30-October 2, 2016
Blue Mountain Resort, Collingwood, Ontario**

Saturday, October 1, 2016 (Cont'd.)

Case Studies (Cont'd.)

E. Endometrial Carcinoma

Samantha Crombie, MCISc-PA and Emily Wilkins, MSc-PA

Royal Victoria Hospital, Barrie

Learning Objectives:

1. Observe gross and microscopic images of endometrial carcinoma surgical specimen(s)
2. Inspect gross descriptions, block submission and additional studies
3. Discuss the diagnosis

Optional Afternoon Group Activities: Advance registration required

1430 Segway Tour ... few spots still available

1430 Perfect Wine Pairing ... few spots still available

1530 Cross Country Bike Tour ... cancelled

1830-2200 Cocktail Reception & Banquet ... "Bach to Beatles" by David Wipper, classical guitarist
(Tickets must be pre-ordered)

***Note:* PA's can sign up for Saturday PA Symposium
OR special 2 day package that includes Sunday's CCO/OAP Symposium.**

Please check periodically for updates at www.ontariopathologists.org

**Annual General Meeting
September 30-October 2, 2016**

Blue Mountain Resort, Collingwood, Ontario

Sunday, October 2, 2016

0715-0830 *Breakfast & Poster Display*

0830-1200 **Cancer Care Ontario/OAP Symposium**

0830-1915 *Follicular Variant of Papillary Thyroid Carcinoma (FVPTC) and Non-invasive Follicular Thyroid Neoplasm Papillary-like Nuclear Features (NIFTP): an Update for the Practicing Pathologists*

Dr. Bin Xu, MDCM, PhD, FRCPC, Staff Pathologist, Sunnybrook Health Sciences Centre, Assistant Professor, Department of Laboratory Medicine & Pathobiology, University of Toronto

Learning Objectives

1. To review the evolution, controversies, diagnostic criteria, and molecular profile of FVPTC.
2. To provide an update on NIFTP, focusing on the diagnostic criteria and the impacts of such nomenclature change in surgical pathology and cytology practice.

0915-0945 *Building a Platform for Personalized Medicine: Activities of the Pathology and Laboratory Medicine Program, Cancer Care Ontario*

Aaron Pollett, MD FRCPC Provincial Head, Pathology & Laboratory Medicine Program, Cancer Care Ontario; Co-Director, Division of Diagnostic Medical Genetics, Pathology & Laboratory Medicine, Mount Sinai Hospital; Associate Professor, Laboratory Medicine & Pathobiology, University of Toronto

Learning Objectives

1. Describe the role of pathology in a provincial Personalized Medicine program.
2. List the main activities of the Pathology & Laboratory Medicine Program, Cancer Care Ontario.
3. Outline how activities at Cancer Care Ontario will impact pathology practice over the next year.

0945-10:15 *Refreshment Break – Poster Display*

1015-1200 *Multidisciplinary Team Approach to Breast Cancer Reporting including Biomarkers – Challenges and Insights*

Learning Objectives

1. Define “biomarker” with respect to breast cancer management and list the established biomarkers used in breast pathology.
2. Summarize the most common and important areas of controversy concerning the use of these biomarkers.
3. Discuss the evidence base supporting diagnostic criteria for reporting these biomarkers in optimally guiding the management of breast cancer.
4. Breast biomarkers: multidisciplinary approach - surgical, radiation and medical oncology insights

**Annual General Meeting
September 30-October 2, 2016
Blue Mountain Resort, Collingwood, Ontario**

Sunday, October 2, 2016 (Cont'd)

- 1015-1055 ***Challenges in Breast Biomarker Testing: An Evidence-Based Approach***
Martin C. Chang, MD, PhD, FCAP, FRCPC Anatomical Pathologist,
Director of Breast Pathology, Department of Pathology and Laboratory Medicine
Mount Sinai Hospital, Toronto ON and Associate Professor of Laboratory Medicine
and Pathobiology, University of Toronto
- 1055-1105 ***Surgical Oncology Insights***
Dr. Ralph George, Division of General Surgery, St. Michael's Hospital, CIBC Breast
Centre St Michael's Hospital, Toronto
- 1105-1115 ***Biomarkers in breast cancer: radiation oncologist's perspective***
Dr. Eileen Rakovitch, Associate Professor, Department of Radiation Oncology,
University of Toronto; Scientist, Evaluative Clinical Sciences, Odette Cancer Research
Program, Sunnybrook Research Institute, Toronto
- 1115-1125 ***Medical oncologist insights***
Dr. Andrea Eisen, Associate Professor, Department of Medicine, University of Toronto
Medical Oncologist, Head Familial Cancer Programme, Odette Cancer Centre;
Cancer Care Ontario Provincial Breast Cancer Lead
- 1125-1200 **Panel Q&A**

Please check periodically for Meeting and Symposium updates at

Blue Mountain Resort, Collingwood, Ontario**

OAP 2016 PA SYMPOSIUM REGISTRATION FEES

MEETING REGISTRATION	Regular	On site or after Sept 7	
<i>Register by</i>	Sept 7		
Saturday PA Symposium only <i>Includes all PA sessions, 220</i>			
PA Member	180	220	Plus HST
PA Non-member <i>fee includes 2016 OAP Membership</i>	230	270	Plus HST
2 days: Saturday PA & Sunday CCO/OAP Symposium <i>Includes all PA & CCO sessions, plus 280</i>			
PA Member	280	330	Plus HST
PA Non-member <i>fee includes 2016 OAP Membership</i>	330	380	Plus HST

Cancellation Policy: \$50 Service charge cancellations received by August 19/16
No refunds will apply thereafter.

**Annual General Meeting
September 30-October 2, 2016
Blue Mountain Resort, Collingwood, Ontario**

Pathologists Have Talent - Visual Art Display

Pathologists have many talents ... this year we are again providing the opportunity for OAP meeting participants to showcase their artistic photography skills during the meeting.

Purpose: Showcase artistic photography during the OAP Meeting

Categories:

1. **Non-pathology** photography
2. **Pathology related** visually interesting case slides related to either:
 - Gross or Microscopic images
 - Non-gross cases

Format of submissions:

- Photograph Dimensions: 8" x 10"
- Maximum 1 submission per category per person

Participant to:

- By September 12th submit the following information to Heather Lennon at heather@myershamilton.com:
 - Name and contact of person submitting photograph
 - Title to be used with the photograph
 - Category to be entered in
- Supply and affix photograph on the poster board at the OAP meeting
- Remove photograph Sunday, October 2.

Judging:

Each OAP Meeting Participants will be given a ballot to select the best in each class based on the following criteria:

1. **Non-pathology photograph:**
 - Most aesthetically pleasing and interesting
2. **Pathology related photograph :**
 - Most aesthetically pleasing and interesting
 - Informative and conveys medical information

Prize: \$50 Henry's Gift certificate

Questions? Please contact *Heather Lennon* at heather@myershamilton.com
or *Dr. Russell Price* at pricer@rvh.on.ca

OAP ACCOMMODATION
RESERVATION BOOKING INFORMATION

****OAP Block will be held until **August 29, 2016** ... after that date OAP rates will apply based on availability****

GROUP NAME: Ontario Association of Pathologists

GROUP CODE: GRP116218

ARRIVAL: Thursday, September 29, 2016

DEPARTURE: Sunday, October 02, 2016

Blue Mountain Resort is excited to be hosting the OAP group stay. In our continuing efforts to ensure an effortless reservation experience, you have access to reserve your accommodations at your leisure by calling our toll free number or going on-line.

ONLINE BOOKING PROCEDURE

Click on the following link – <https://lodging.bluemountain.ca/booking/#availability>

Step One: Check Availability

Enter arrival and departure dates:

Enter **Corporate/Promotion Code:** GRP116218

Click: Check Availability

Step Two: Choose Room Type

Click: Show Results

Review accommodations

Click: **SELECT** Preferred Accommodation

Step Three: Guest Login

Complete guest information – **Note: Red Box** = Mandatory fields required

Click: Confirm Details

Step Four: Review Booking Request

Once reviewed - Click: Confirm Reservation

Step Five: Your Reservation Request has been Received

Click: Send Confirmation as Email

TELEPHONE CALL IN PROCEDURE: Call 877-445-0231, Press for lodging reservations
Provide **OAP group code** GRP116218 and **group name** Ontario Association of Pathologists

CANCELLATION POLICY

- **10 days prior to arrival:** \$25.00 admin charge to cancel or change the departure date (i.e. early departure)
- **Within 10 days or less of arrival:** Will be given the opportunity to rebook reservation for another date up to 12 months from the cancellation date. The one night deposit will be kept on file up to 12 months. If not rebooked and stayed within this time frame, the deposit on file will be forfeited.
