

Anatomical Pathologists

Unity Health Toronto's Department of Laboratory Medicine is seeking applications from qualified and highly motivated individuals to fill two Clinical Associate (Locum) positions for **Anatomical Pathology** in a general surgical pathology environment for the time periods of September 2024 through December 2025, with a potential for extension.

The successful candidates will provide excellence in surgical pathology diagnostic clinical practice. The service work can be either general surgical pathology or subspecialty pathology depending on the training and experience of the applicants.

The qualified applicant must be eligible for medical licensure in the province of Ontario and must be a Fellow of the Royal College of Physicians and Surgeons or equivalent in Anatomical or General Pathology.

Payment will be at the level of uniform level of compensation in the Province of Ontario.

Evaluation of applications will begin September 1, 2024 and will continue until the positions are filled. Please forward your application, including your curriculum vitae and the names of three references, to:

Dr. Catherine Streutker, Chief and Medical Director, Department of Laboratory Medicine

St. Michael's Hospital, 30 Bond Street, Toronto, Ontario M5B 1W8, Canada

E-Mail: cathy.streutker@unityhealth.to

Unity Health Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons/persons of colour, women, indigenous/Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

All qualified candidates are encouraged to apply. Canadian Citizens and permanent residents will be given priority.
