Anatomical Pathologist

Department of Lab Medicine

The Department of Laboratory Medicine at SHN is seeking a highly motivated Full Time Anatomical Pathologist with a passion for providing the highest quality of care to join the department. The Department of Laboratory Medicine offers candidates a broad cross section of samples receiving over 28,000 surgical cases, 10,000 cytology specimens and 300 bone marrow specimens annually.

Candidates must be licensed to practice with the College of Physicians and Surgeons of Ontario and hold a specialist certificate in Anatomic or General Pathology from the Royal College of Physicians and Surgeons of Canada. Subspecialty experience in cytopathology, thyroid pathology or hematopathology would be an asset.

In rotation with other members in the Department, the successful candidate will provide on call coverage, general surgical pathology and cytopathology services as well as cover a limited number of hospital autopsies.

We thank all qualified physicians for their submissions however only successful candidates who qualify will be contacted to attend a pre-application interview. All appointments are subject to an Impact Analysis and Board approval. The hospital reserves the right not to appoint anyone to this position.

SHN ABOUT US

Across our three hospitals and eight satellite sites, Scarborough Health Network (SHN) is shaping the future of care. Our many programs and services are designed around the needs of one of Canada's most vibrant and diverse communities. We are the third largest community hospital in Ontario and are home to North America's largest nephrology program, as well as the designated cardiac care and spine centre for Scarborough and surrounding communities to the east. We are proud to be a part of the Toronto Academic Health Science Network (TAHSN) and partner with a number of universities and colleges, helping to train the next generation of health care professionals.

At SHN, we are committed to fostering diversity, equity, and inclusivity in our workplace. We strongly encourage applications from individuals of all backgrounds, including those from underrepresented groups. We believe that a diverse team enhances our ability to provide excellent patient care and promotes innovation and creativity. SHN is dedicated to providing reasonable accommodations to applicants with disabilities throughout the recruitment process. If you require accommodations, we will work with you to meet your needs.
